SUMMARY

BS in Computer Science graduate and results-driven Web Developer with 1 year of remote experience at Attari Web Developers. Skilled in designing and developing responsive, modern, and user-friendly websites using HTML, CSS, JavaScript, WordPress, Elementor, WooCommerce, and Shopify. Experienced in theme customization, landing pages, ecommerce websites, layout design, and website optimization. Familiar with Google Ads, Meta Ads, and basic digital marketing practices. Able to understand client requirements and deliver clean, functional, and visually appealing web solutions. Passionate about creating fast and engaging digital experiences that help businesses strengthen their online presence and achieve better results.

WORK EXPERIENCE

Attari Web Developers

2025 - Present

- Developed responsive websites using HTML, CSS, JavaScript, WordPress, Elementor, and Shopify.
- Customized WordPress themes, layouts, sections, and WooCommerce product pages.
- Created modern, mobile-friendly websites for business, ecommerce, and service-based clients.
- Improved website layout, speed, responsiveness, and cross-browser compatibility.
- Supported Google Ads, Meta Ads, landing pages, and basic digital marketing tasks.
- Collaborated remotely with the team to complete client projects on time.

Cybex IT School – Faisalabad

2023 - 2024

- Developed and maintained responsive websites for multiple clients.
- Converted Figma and Adobe XD designs into pixel-perfect web pages.
- Improved page load speed and overall website performance.
- Debugged UI issues to enhance stability and usability.
- Collaborated with backend developers to integrate APIs and dynamic content.
- Ensured cross-browser and cross-device compatibility.
- Built interactive UI components including forms, sliders, and animations.
